Satisfactory Academic Progress Policy

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

Barber 300, 600, 900 clocked (actual) hours

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED	
	WEEKS	SCHEDULED HOURS
Barber (Fulltime, 37.5 hrs/wk) - 1200 Hours	48 Weeks	1800 Hours

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours.

Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills

evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

93% -100% = Excellent
85%- 92% = Very Good
75%- 84% = Satisfactory
74% and Below = Unsatisfactory

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing per their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within five (5) calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

Regarding Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

A clock hour is defined as a minimum of 50 minutes of supervised instruction. Class and break schedules are on the course descriptions provided by each instructor. The academy follows an independent course numbering system; Courses are numbered sequentially and assigned a three-letter prefix representing the program title.

Extra-Instructional Charges Policy

Each program has been scheduled for completion within an allotted time frame. A grace period of approximately ten percent has been added to the calculated completion date for each program. It is not realistic to expect to receive an education for free. The institution has reserved space, equipment and licensed instructors for each student and program. If a student does not graduate within the contract period, additional training will be billed at the rate of \$250 per week, or any part

thereof, payable in advance until graduation. Students will not be allowed to clock in until applicable weekly payments are made.

Requirements of Completion of Program

The following requirements must be met by the student to qualify for a graduation:

- Achieve a cumulative grade point average of 75% or higher.
- Attend all required hours of the program as required by the State Board of Barbering and Cosmetology, maximum hours of 1800 for the Barber program (150% of proposed program timeframe).
- Complete all designated requirements (tests, laboratory hours, client services) of the program
- Satisfy all financial obligations to the institution or fill out a payment plan approved by the owner.

(STATE LICENSING AND EXAM FEES ARE A SEPARATE COST FROM ANY OTHER FEES LISTED IN THIS CATALOG.)

Upon the successful completion of the 1200* clock hour Barber Program the student receives a diploma. To receive a Barber license, the student must submit a barber examination application, certificate of completion of board-approved HIV/AIDS course (2-hour course) and pay applicable fees to the department. Once the application is approved, the student must schedule a date and time for their barber examination with PearsonVue. A license will be issued and mailed upon successful completion of the barber examination.

*A student can be determined competent by a school official to sit for the barbering exam at 1,000 hours of training. If student is determined competent, all hours required for program completion will be deemed satisfied.

Attendance Policy

All students are expected to attend classes on a regular basis. Daily attendance is required. Attendance is recorded by the Instructor. In the event of an absence, the student is responsible to make arrangements to complete any makeup work that may be assigned to them. If satisfactory arrangements are not made, incomplete or failing grades may be assigned. Students who are unable to attend class should notify the Academy promptly. Three (3) unexcused absences within 30 days will result in probation of 30 days or less.

If the Academy closes early or has a delayed opening for any reason and if a class can meet for 50% or more of the regularly scheduled meeting time, or if the class can meet for 50 minutes or more, it will meet. The Adrian H. Wallace Barber Academy will always operate on its regular schedule unless otherwise announced. Depending on the nature of the incident, notifications of emergencies and changes to the Academy's operational status will be communicated through one or more communication methods including text messages, emails and answering machine updates. For the most up-to-date information regarding Academy openings, closings, or emergencies, all students,

faculty, and staff are required to maintain a working phone number on file and are encouraged to sign up for email and text alerts through the office of the President.

LEAVE OF ABSENCE

Students who need to take a leave of absence from the Academy must submit, in writing, a signed request for leave. Students on a leave of absence are not considered to be withdrawn from the Academy. Students can only be allowed three leaves of absence per 12- month period, and the leave cannot exceed 60 days per leave. Any student who does not return from their leave of absence on the scheduled date will be withdrawn from the Academy. A student on an approved leave of absence who has notified the Academy that he/she will not be returning will be withdrawn from the program. The determined date of withdrawal will be the earlier of the date of expiration of the leave of absence or the date the student notifies the Academy that he/she will not be returning. The withdrawal date for a student who does not notify the Academy that he/she is not returning will be the date of determination.

TARDINESS

Students are expected to arrive to class on-time and prepared to learn, as tardiness causes the student to miss valuable instruction and disrupts the class. A student arriving 15 minutes after instruction has begun is considered tardy. Any student who is tardy to class three (3) times will be recorded for 1 unexcused absence and counseled by the instructor. Any further tardiness will result in the student being required to make up hours and work missed at a scheduled time agreed upon by the instructor.

WITHDRAWAL

Students have the option to officially withdraw from the Academy at any time by giving written notification to the president. Unofficial withdrawal can take place at such time as the student fails to attend classes and has made no contact with the Academy administration. A grade of "W" will be assigned upon withdrawal determination. Upon withdrawal, official or unofficial, the Academy's refund policy will apply and arrangements must be made to pay any balance due to the Academy. Students will not be permitted to re-enroll in the Academy with an outstanding balance. Any monies due to the student at the time of withdrawal, official or unofficial, will be refunded to the student within 30 days of the date of determination.

RE-ENTRY

A student who has been terminated or withdrawn may reapply to The Adrian H. Wallace Barber Academy in the same status as when they were withdrawn. At that time, the student's academic records will be evaluated in order to determine if it is possible for a cumulative grade point to be achieved and for the program to be completed within the maximum time frame of 150%. Returning students will be charged a \$100 Re-entry fee.

Veteran's Policies

VETERAN'S ATTENDANCE POLICY

Early departures, class cuts, tardiness, etc., for any portion of a class period will be counted as 1/3 absence. Students exceeding 3 total absences in a calendar month will be terminated from their VA benefits for unsatisfactory attendance.

To show that the cause of unsatisfactory attendance has been removed, students must show good attendance (as defined) for one calendar month after being terminated for unsatisfactory attendance. After such time, the student may be recertified for VA education benefits.

The student's attendance record will be retained in the veteran's file for USDVA and SAA audit purposes.

STANDARDS OF ACADEMIC PROGRESS FOR VA STUDENTS

Students receiving VA educational benefits must maintain a minimum cumulative grade point average (CGPA) of 75% each evaluation period.

A VA student whose CGPA falls below 75% at the end of any evaluation period will be placed on academic probation for a maximum of two consecutive terms of enrollment. If the VA student's CGPA is still below 75% at the end of the second consecutive term of probation, the student's VA educational benefits will be terminated.

A VA student terminated from VA educational benefits due to unsatisfactory progress may petition the school to be recertified after attaining a CGPA of 75%.

VETERAN'S REFUND POLICY

The refund of the unused portion of tuition, fees, and other charges for veterans or eligible persons who fail to enter a course or withdraw or discontinue prior to completion will be made for all amounts paid which exceed the approximate pro-rata portion of the total charges that the length of the completed portion of the course bears to the total length of the course. The pro-rata will be determined on the ratio of the number of days or hours of instruction completed by the student to the total number of instructional days or hours in the course.

VETERAN'S CREDIT FOR PREVIOUS EDUCATION OR TRAINING

Students must report all education and training. The school must evaluate and grant credit, if appropriate, with the training time shortened, the tuition reduced proportionately, and the VA and student notified.

Application Fee (Nonrefundable)	\$100.00

2. All monies will be refunded if the school does not accept the applicant or if the student cancels within three (3) business days after signing the enrollment agreement and making initial payment.

All students are required to attend orientation, during which the contents of the current student handbook are reviewed. Orientation is held after enrollment but on or before the first day of class. Special attention is given to those students that need additional assistance. Academic tutoring is available to students that need further assistance during the course of study.

Although the Academy does not make any guarantees of employment or salary upon graduation, the academy will provide placement assistance, which will consist of identifying employment opportunities and advising students on appropriate means of attempting to realize these opportunities. Students also receive training in professionalism and job search skills. The curriculum places a great deal of emphasis on how to obtain and retain employment after graduation. Graduates are encouraged to maintain contact with the school and follow-up with the school on current employment or employment needs. In addition, the school maintains a network of relationships with professionals and employers who provide mentoring to students while they are in school. Job referrals are made known to interested graduates as available.

The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and the student will be automatically re-entered in the program.

Complaints

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be

retained in school files to determine the frequency, nature and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school owner.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, members of the institution's Advisory Committee will hold the hearing within 90 days of the original complaint. The student will represent his/her case followed by the institution's response. The Advisory Committee will be allowed to ask questions of all involved parties.
